

Dear Interested Parties:

The Mental Health Services Oversight and Accountability Commission (MHSOAC) is charged with the review and approval of county program expenditures related to the Prevention and Early Intervention (PEI) component of the Mental Health Services Act. The MHSOAC is proposing to contract with individuals with subject matter expertise who are interested in reviewing PEI county plans as a member of the PEI Review Team. An **Invitation for Offer (IFO) for PEI Subject Matter Consultants** is currently posted on the Department of Mental Health (DMH) and MHSOAC websites inviting you, or anyone you know who are interested in participating on the PEI Review Team, to apply. The subject matter consultants will have a pivotal role in assisting the MHSOAC in the plan review process and will be selected on the basis of their expertise on issues related to specific priority populations and key mental health needs.

Attached are links to the MHSOAC and DMH's website where you may access the documents for the IFO.
